Sir:

INTRODUCTORY COMMENTS

Pursuant to Rule 37 CFR §§ 1.56, 1.97 and 1.98, this Information Disclosure Statement is submitted in the above-identified patent application. A listing of documents to be published on the face of any patent granted from this application is submitted on forms PTO/SB/08A and 08B. Any other documents or information submitted for consideration by the examiner are listed in this paper. A copy of each foreign patent or non-patent literature listed on forms PTO/SB/08A and 08B is submitted herewith.

Additional Information Not Listed on Form PTO/SB/08A and 08B

The references cited herein were cited in an opposition proceeding in a European application which corresponds to the above-noted pending application.

Concise Statement of Relevancy
(Non-English Language Documents Only)

EP 0 628 927 describes, as taken from an attached English language abstract, that packaging can be recognized and found again and carries a sort of marking which is safe

from falsification for the normal end user and cannot be simply identified or imitated with conventional methods. This reference describes that color marks consist of different colors in such a way that each color mark has at least one different spectral range with respect to the other color mark in the reflecting light.

Statement Regarding Translations

English language translations of the non-English language documents are not available to Applicant's attorney apart from English language abstracts appended to the documents or English language counterparts identified in the "Statement of Cumulative Information" paragraph below.
